AGRICULTURAL LAND FOR SALE! Improved and Unimproved

In placing my holdings on the market, consisting of lands around Charlotte and Jourdanton, both improved and unimproved, I do so with the knowledge that these lands are most favorably situated and offer every convenience to those seeking homes. Within easy reach of every point are modern gins, well equipped schools, commodious churches, good roads lead everywhere, to nearby railroad stations and the best markets in Texas.

This property has not been offered earlier because these very necessary advantages were not to be had, but now they are a reality---nothing is left to speculation or future contingencies. Settlers now have all the advantages that can be found anywhere in a fully developed community without paying the prices that are asked in the older sections. You can have the benefit, for I am offering you the most desirable opportunity in Texas.

These lands are as good as can be had in South Texas; there are no better anywhere. Plenty of water can be obtained on any tract and shallow wells can be located at small cost furnishing an abundance of good water. The soil is fertile, there are no crop failures on these farms and no irrigation is necessary. No section of the state offers a more healthy or delightful climate, winter or summer.

GUTES WASSER FRUCHTBARES LAND ALLE VORZUGE DEUTSCHE Nachbarn

Gerade jetzt ist die Zeit vorteilhaft zu kaufen.

Homeseekers are urgently requested to investigate the proposition and inspect this year's crops. This is the best opportunity that will ever be offered you. These lands are within your reach. The prices are low, small cash payment and balance to suit purchaser.

A Prayer.

(By Theodosia Garrison.)

I do not pray for peace,

Nor ask that on my path The sounds of war shall shrill no more.

The way be clear of wrath. But this I beg thee, Lord, Steel thou my will with might.

And in the strife that men call life Grant me the strength to fight.

I do not pray for arms,

Nor shield to cover me, What though I stand with empty hand, So be it valiantly!

Spare me the coward's fear-Questioning wrong or right;

Lord among these mine enemies, Grant me the strength to fight.

I do not pray that thou

Keep me from any wound, Though I fall low from thrust and blow Forced, fighting, to the ground;

But give me wit to hide My hurt from all men's sight. And for my need the while I bleed, Lord, grant me strength to fight.

I do not pray that thou

Shouldst grant me victory; Enough to know that from my foe

I have no will to flee: Beaten and bruised and banned,

Flung like a broken sword, Grant me this thing for conquering-Let me die fighting, Lord.

Jap Women Have Few Rights. Until recent years, when a Japanese wife failed to present her husband with a son he was free to supplant her with a successor more fortunate. and even today the Japanese girl must always address her brother with the prefix "mister." Love-marriages are still little known in the "Land of the Rising Sun;" wives receive little respect from their husbands, and it is significant of their condition in the present and the past that only recently have they been allowed to exchange visits or to open their mouths in the presence of their husbands or brothers.

Explanation of Potlatch.

The word potlatch is a corruption of an Indian word common among the Pacific coast tribes, meaning festival of gifts. At a patshaul (potlatch) celebration the more personal property an Indian gives away, blankets, ornaments, etc., the higher he stands in the estimation of his neighbors, and the more he expects to receive in return at the next potlatch. The festival is also accompanied by music, dancing and feasting.

A SURE REMEDY FOR LAZY LIVER

454,950 147

Go to Windrow's for this Safe, Reliable Remedy and Get Your Money Back if it Fails

There are very few remedies that gain the confidence of druggists as Dodson's Liver Tone does. W. H. Windrow sells it and backs up the sale of every bottle with the money back guarantee that the price will be refunded if it fails to give complete satisfaction.

Dodson's Liver Tone costs 50 cents a bottle. It is the safest and best remedy for torpid liver, constipation, billousness, etc., that has ever been sold in this city. It takes the place of dangerous calomel and does not lay you up as a dose of calomel often loes. A bottle in the house is as good as fifty cents in the bank. If you or your family need a liver tonic you have the medicine ready. If it fails you get your money back.

Be sure you get Dodson's Liver Tone when you ask for it. There are imitations of it that may disappoint
